Description

Overview

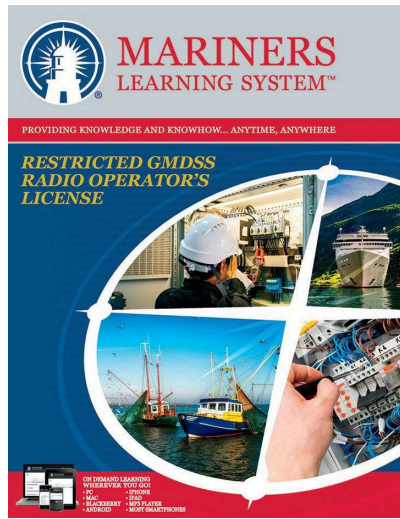

The FCC Restricted GMDSS Radio Operator's License (RG) qualifies the holder to operate and make basic equipment adjustments to Global Maritime Distress and Safety System (GMDSS) radio installations, but only on voyages that remain within twenty (20) nautical miles of shore. It also confers the operating authority of the Marine Radio Operator Permit (MP).

Once you pass the required Element exam(s) for the FCC license that you are pursuing, Mariners Learning System will electronically file your license application with the FCC on your behalf. To do so we require that you provide us via email:

- Your MLS certificate of completion(s) for each required FCC Element
- [FCC Federal Registration Number \(FRN\)](#)
- Properly filled out and completed [FCC form 605](#) and [Schedule E](#)
