Short Description

The course is for those who wish to upgrade their existing OUPV/Six-pack to a Master level license. Depending on your experience, it will be issued as a 25, 50, or 100-ton license. The Master level license is required to operate an inspected vessel that carries seven or more paying passengers.

The **Towing Endorsement** is required if you will be engaged in towing a disabled vessel for payment, such as the activities of a Sea Tow or TowBoatU.S. operator.

To carry seven or more passengers "under sail," a **Sailing Endorsement** is also required.

Our **Deluxe Edition** includes everything offered in the Digital Edition plus Hardcopy Study Guides and an MLS Classic Briefcase Bag.
